

Regional Transit Vision Plan:

Recommendations for North Carolina's Research Triangle Region

A Report from the Special Transit Advisory Commission to the Capital Area Metropolitan Planning Organization and the Durham–Chapel Hill–Carrboro Metropolitan Planning Organization.

SECTION 1: Executive Summary	Page 4
Maps Referenced in the Report	
Map 1: Regional Transit Vision Plan	Page 8
Map 2: Enhanced Region-wide Bus Service	Page 9
Map 3: Recommended Rail Investments	Page 10
SECTION 2: Setting the Stage	Page 12
<i>Describes why and how the STAC was convened. Provides an overview of how the recommendations of the STAC fit into the bigger picture of transportation planning in the Triangle region.</i>	
SECTION 3: Why Invest in Transit?	Page 17
<i>Describes the role transit can play in the Triangle and the importance of investing in a regional transit system.</i>	
SECTION 4: Where to Invest: Corridors for Major Transit Investment	Page 25
<i>Describes the places and corridors in the Triangle where transit investments are recommended. Explains the data-driven, technical analysis of these places and corridors.</i>	
SECTION 5: Kinds of Investments: Service Concepts and Transit Technologies	Page 29
<i>Describes types of transit service and descriptions of various transit technologies. Includes information on the kinds of places and trips that each can most effectively serve.</i>	
SECTION 6: Recommended Investments: Connecting Corridors, Service Concepts and Technologies	Page 38
<i>Describes the recommended regional transit investments.</i>	
SECTION 7: Implementation: Building the Regional Transit Vision Plan	Page 45
<i>Discusses the challenges of realizing the Regional Transit Vision Plan. Sets forth a strategy for implementation that focuses on developing new revenue sources, strengthening the connection between land use and transit and identifying areas where leadership will be needed.</i>
